

Introducing

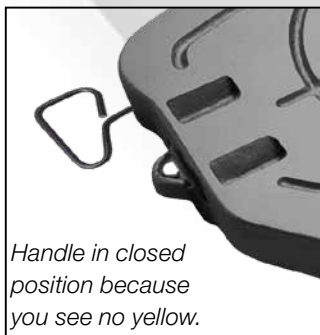

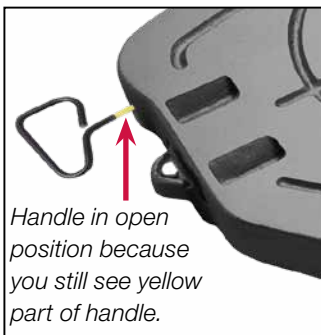

# Fontaine Fifth Wheel Colored Pull Handle

**Seeing yellow indicates the fifth wheel is NOT closed completely**

**Part #: KIT-CPH-67NTL**

- Additional visual indicator for StraightShot™ pull handle
- Yellow color makes it easy to spot if pull handle is in open position
- Works with all left hand No-Slack® II fifth wheels including 6000/7000/7000CC/No-Slack® NT fifth wheels
- **IMPORTANT:** All proper coupling procedures and inspections are still required. Colored handle is an additional visual indicator.

**FONTAINE®**
